IMPORTANT SURVEY: A survey was sent to all Freshwater families via email from the school regarding our school programs and activities. If you haven't already done so, please take a couple of minutes to complete the survey as it will provide valuable input and help us streamline our goals for the LCAP (Local Control Accountability Plan). Thank you for participating!

LUNCH CHARGES: Outstanding lunch charges were due on June 2. Students are no longer allowed to charge school lunches between now and the end of the year. If you still have outstanding lunch charges, please send payment to the school office as soon as possible. Thank you!

SPORTS PARTICIPATION PHYSICALS (Grades 4-7): A letter and papers were sent home two weeks ago regarding students interested in playing sports in the fall and getting sports physicals completed ahead of time. Once physicals are completed and papers signed, please turn them in to the office. Thank you very much!

FRESHWATER SUMMER CAMP: Registration is still open for Freshwater Summer Camp. This program is open to families from all schools districts, with **priority given to current students at Freshwater School**. Priority registration closed June 2, and any additional spots we still have will be given on a first come, first serve basis. Packets can be picked up in the school office or at the After School Program.

AFTER SCHOOL PROGRAM FAMILIES: With only **ONE** week of school remaining, please resolve any outstanding After School balances you have accrued throughout the school year. Payments can be made to the office or directly to ASP, via check or cash. Please call ASP at 442-3703 for questions regarding outstanding balances.

THANK YOU MRS. BECKSTEAD!:

We would like to thank Mrs. Beckstead for dedicating her time and talents to develop our Music Program over the last 23 years. We are so grateful for all that she has done for the staff and students at Freshwater School. Happy Retirement Mrs. Beckstead. You will be greatly missed!
