WEEKLY SUPPORT MEETINGS ON ZOOM: We are excited to announce that this year our Student Support Provider, Audrey Shears (Dr. A), will be teaching a Social/Emotional Learning Program to all of our students TK-8 called Second Step. There are four main areas of focus that include many activities and resources for families to practice at home such as Skills for Learning, Empathy, Emotion Management, and Problem Solving. Ms. Shears will be offering a **Parent Support Meeting every week on Thursdays from 2:30-3:30.** This will be a time to learn more about these resources, ask questions, and learn strategies for how to stay connected with other families during Distance Learning. Hope to see you there!
