COVID-19 PARENT/GUARDIAN NOTICE AND ACKNOWLEDGEMENT
OPTIONAL IN-PERSON INSTRUCTION DURING THE COVID-19 PANDEMIC

Dear Parent/Guardian:

You have the option to have your child receive in-person instruction in lieu of distance learning during the COVID-19 pandemic. Please be advised of the following:

The novel Coronavirus (COVID-19), a global pandemic, is extremely contagious and may be contracted from various sources. COVID-19 has a long incubation period, during which time carriers of the virus might not show symptoms despite being contagious.

While District staff complies with California Department of Public Health and Centers for Disease Control and Prevention infection control guidelines to prevent the spread of the COVID-19 virus, we cannot make any guarantees regarding potential spread of COVID-19.

During assessment or instruction, circumstances in which COVID-19 can be transmitted may occur, such as the discharge of respiratory droplets or person-to-person contact.

District staff are symptom-free and, to the best of their knowledge, have not been exposed to the virus. However, as we are a place of public accommodation, other persons could be infected, with or without their knowledge.

This in-person instruction is entirely optional. Your child will be provided a legally compliant distance learning program if you prefer to not assume the risks associated with the COVID-19 pandemic and in-person instruction.

In order to reduce the spread of COVID-19, we are asking that you answer a number of “screening” questions on our Daily Symptom Checker . For the safety of our staff, other students, your child(ren), and yourself, please be truthful and candid in your answers.

If you answer “yes” to any of the questions below, your child(ren) may not be able to participate in in-person instruction at this time. The district will discuss your specific situation and will assess the risk of proceeding with in-person instruction.

Your signature indicates accuracy of “screening” information and acknowledgement that you have reviewed the risks detailed above and wish to proceed with your child’s attendance in in-person instruction.

You agree to notify the school immediately if your child is attending optional in-person instruction and the answer to any of the above screening questions changes for your child or anyone in your child’s household.
