available for qualifying families! \*\*

SUMMER

CAMP  
YAY

## Week 1: June 23 – 27

### The Pixies

Field Trip: Arcata Comm Forest 6/25

Join us for a magical forest adventure this week at camp! We'll explore our forests looking for evidence of gnomes, fairies and hints of pixie dust. Scavenger hunts, nature inspired art and a bit of magic is in store!

## Week 2: June 30 – July 3\*

### Cage The Elephant

Field Trip: Sequoia Park & Zoo 7/2

Animals will be on parade this week as we go on safari, to the outback and through the jungles in search of creatures great and small. Campers will become world travelers as we learn about all the places across the planet animals roam and call their home.

## WEEK 3: JULY 7 – 11

### NEON TREES

Field Trip: Blue Lake Roller Rink 7/9

Bright lights and beautiful sights await this week as we get color-crazy at camp! Light and color science will be the highlight of the week. Our annual color powder party will have everyone a-glow with joy and laughter.

## WEEK 4: JULY 14 – 18

### BAND OF HORSES

Field Trip: Brunner Family Farm 7/16

E-I-E-I-Oh! This week is going to be a good time. We're heading to the farm to see how gardens grow. Campers will learn about planting and harvesting food, farm animals and what a day's work looks like on the homestead.

## Week 5: July 21 – 25

### Walk the Moon

Field Trip: Bear River FFC 7/23

Get ready for lift-off as we blast into the atmosphere to explore the expanse of space beyond our Earth. Black holes, planets, shooting stars and galaxies will help ignite our curiosities and imaginations and send us spinning into orbit.

## Week 6: July 28 – Aug 1

### Imagine Dragons

Field Trip: Trinidad State Beach 7/30

Explore enchanted castles and find dragons sleeping in dungeons with us on our final week of camp. Kings and queens, court jesters and wizards will fill our final days with mythical, magical, fantastical fun!
