PARENT ADVISORY COMMITTEE

You are invited to attend our first Parent Advisory Council (PAC) meeting on Wednesday, October 28th, at 6 PM in Room 22. PAC is looking for new families that wish to help provide input on schoolwide goals related to student achievement and wellbeing. By joining, you'll have a say in important decisions, help improve programs, and support student success. Together, we review the Local Control and Accountability Plan (LCAP), School Safety Plan, and the CA Healthy Kids Survey, and discuss other important school initiatives. This is a great way to build relationships with other community members that care to make our school even better for all students. Please [RSVP HERE](#)!

FALL FUNDRAISER UPDATE

Thank you to all the families who supported our Fall fundraiser!
Thanks to our collective efforts, Freshwater School raised almost \$10,000 to help support our 8th grade trip, as well as to provide funds for classroom supplies to ALL Freshwater students.
The top two fundraising classes were Mrs. Arnold’s 2nd grade class and Mr. Tedesco’s 5th/6th grade class. A special shout out goes to our *top two student* fundraisers in the school: Eva Devalois and Tayler LaPorte! Also, *honorable mention* goes out to Achilles Arcero Marquez and Loki Montgomery for their fundraising efforts.
Thank you all for helping to raise money to support student activities at Freshwater School.
YOU ARE APPRECIATED!!!

INDEPENDENT STUDY!!!

First, a HUGE THANK YOU to all the families who have been able to support their students and our school through utilizing the Independent Study program so far this year. Our positive attendance rate for this year is INSERT DATA for elementary and INSERT DATA for charter! So far we have recaptured INSERT DATA days, supporting INSERT DATA students/families.

As a reminder, families can utilize 15 total days of Short Term Independent Study per year, used in any combination, from SINGLE DAYS to any number of blocks of days. To do this, families must:

- 1) Request an Independent Study Contract for the day(s) absent.
- 2) Sign the contract at any time, before/during/after the absent day(s).
- 3) Ensure that your student completes work that was sent home or that is being held until their return.
